

Why Bother Logging On at All?

SPEPconnect is SPEP's online community. By being active in this community you can connect to people and specific ministries in the church and control how others connect with you.

In addition you can:

- 1) Control how much email you receive from different groups
- 2) Control how much personal information is visible to other users
- 3) Update your personal information (address, phone numbers, email, etc.)
- 4) Access your giving record
- 5) Schedule recurring online giving
- 6) Give one time online
- 7) Search for groups to join
- 8) View a personalized calendar that pulls events from YOUR groups
- 9) View a church-wide calendar to see events
- 10) Update your profile to include DUO categories
- 11) Search for ministry opportunities
