You will be asked to fill in your name, email, and phone number. If we have your email in our system, the system will generate a username and email it to you. (Be patient; it sometimes takes a few minutes.) If you aren't in the system, you'

There will be a link in the email that will bring you to a form to set a password.

You'll be asked to input your new password twice. Now you are ready to return to the sign in page and log in with your username and password.

The screenshot shows a registration form with the following elements:

- Username:** A text input field containing the email address `username@spepconnect.com`.
- Password:** A text input field with a vertical cursor at the beginning.
- Instructions:** A line of text below the password field reads: *Must have both letters & numbers and be at least six characters*.
- Confirm Password:** An empty text input field.
- Submit:** A grey button with the text "Submit".
- Link:** A text link below the button that says "Go to Login page".

Set Password

Enter and confirm your new password in the fields to the left. Once your password is set, you will be able to log in with your username `username@spepconnect.com`
