

Online Giving

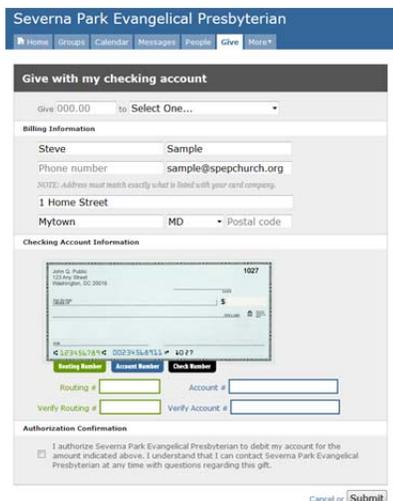

There is no charge to you to use this service. (We appreciate your gift. Please note that giving by checking account is best for SPEP as it helps us to avoid higher credit card fees.)

- 1) Click on the "Give" tab.
- 2) Choose from a One-time Gift or a Repeating Gift.
- 3) Click on your preferred payment type – checking account or bank/credit card.

Note: On the right there are links to stop your repeating gift – or to print your giving statement. You might need one of these links in the future.

- 4) You will see either the checking account info screen or the credit/debit card screen. SPEPconnect will auto fill your contact information, but you will need to enter the checking/routing number or credit card information as well as the amount of your gift.
- 5) If the contact information the church has on file is different from the billing information for your credit card, please update the form.
- 6) Click the authorization confirmation and then "submit" the form.
- 7) For a single gift, you will receive a receipt from the system.
- 8) If you have set up recurring giving, you will receive a system generated receipt telling you that your gift to SPEP has been made on each occasion of a gift.
