

Changing your Username and/or Password

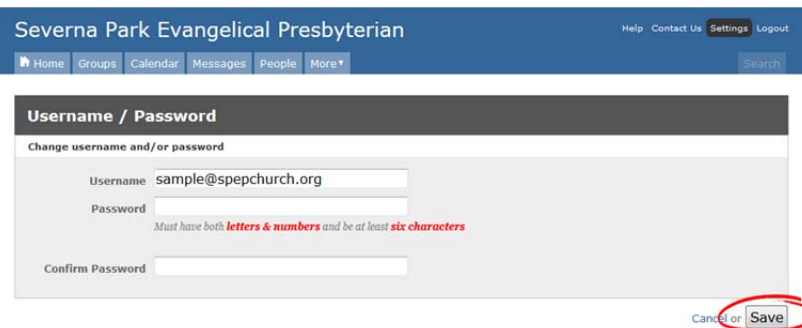

- 1) If you would like to change your username and/or password, click on "go to my profile" in the upper right hand corner of the screen.

- 2) This will take you to your profile page. Click "Change username/password" from the actions menu on the right.

- 3) The next screen will allow you to enter a new username and/or password. When you are finished making your changes, click "Save," located in the bottom right corner of the screen.
