

24-HOURS OF PRAYER GUIDE

Thank you for joining Severna Park Evangelical Presbyterian Church in setting some time aside to pray. Here is a small guide to help focus your prayer time. Please use this as needed to assist you in guiding your prayers.

1. PRAYER FOR THE CHURCH IN THE WORLD

Pray unbelievers would come to know Christ; for the ministry of the church and its mission in the world; that God's people would be able to worship Him unhindered.

2. PRAYER FOR OUR FAMILIES

Pray for our rising college-aged students as they prepare this Summer to head off to school, enter the workforce, or begin the other plans they have for the Fall. Pray for those who have recently had children or are expecting births in the coming weeks.

3. PRAYER FOR OUR CONGREGATION

Pray for the upcoming mission trips this month to Guatemala and the Refuge. Ask for safe travels and fruitful ministry. Pray for the search for our staff positions, Youth Director, Coalition for Christian Outreach to work with our college age and young adult ministry and on Anne Arundel Community College's campus.

4. PRAYER FOR OUR COMMUNITY

Pray for the annual Summer Festival at Earleigh Heights Fire Department. That the events would be safe and opportunities for gospel conversations would arise as everyone enjoy the rides and games. Pray for safety as people around our area and across the nation celebrate the 4th of July Independence Day. Also for safe Summer vacations and travel

5. PRAYER FOR OUR NATION

That wise decisions would be made in our local, state, and national leadership. That our communities and agencies would be prepared for aiding those, should the need arise, who could need assistance from Summer storms or hurricanes as the season progresses. That our international neighbors and our relationships with other countries would be to the benefit of everyone and that peace would reign.

6. LIFT UP YOUR OWN PRAYER CONCERNS

Please use this time to bring your own requests to the Lord as well.
